## 210 CONSTRUCTION CORP

### Customer Comments:

We are extremely pleased with the work performed by 210 Construction's team. No details were ignored and we especially appreciate the professional and courteous staff. I am impressed at the care that was taken to complete the project AND CUSTOM FINISH...

WE LOVE OUR NEW KITCHEN.

- Carmen, Suffolk County, NY

Thank you for helping us choose the right products and suppliers for our bathroom and kitchen... Our family and friends love the fixtures and details such as the crown moulding and double recessed trim.

- Patricia Docherty, Bell Park Manor, Queens

Dear Ajay, thanks for everything. The children love their new rooms...

- Alix, Nassau County, NY

210 Construction Corp has recently completed its first brand new two-family home in June of 2009. Simultaneously, we completed a new four family plus two stores, mixed-use building in the heart of Williamsburg, Brooklyn shopping district (where safety matters most). We are very proud of such accomplishments in 2009 and hope that your support will lead to a productive 2010. We have also built many dormers and extensions since 2002. To succeed in a business where competition is the highest, we pride our company on safety, craftsmanship, and exceptional management. Lets us show you what makes us different from the rest!!!

WE HAVE MANY SATISFIED CLIENTS IN THE NYC, NASSAU & SUFFOLK COUNTIES, WHEN AVAILABLE, ARE GLAD TO SHOWCASE THEIR NEWLY BUILT OR RENOVATED PROPERTIES.

210 Construction Corp also focus on cooperative restorations around NYC and Nassau County. We restore bathrooms and kitchens into a retro space using innovative techniques and quality craftsmanship. We execute two bathrooms a week, therefore giving our clients the best competitive price. For example, once your bathroom is disassembled by crew A, crew B starts carpentry and tiles, while crew A starts another project. All our projects are micro-managed by owner and operator- Ajay Persaud. If there are any questions regarding your project, you can get an honest answer immediately, no answer machines!
